futures

A big welcome to all our new friends
and a warm welcome back to some of
our Little Bees from before the summer!

We have had a fantastic first two weeks
and have loved getting to know all of our
children. We are already having lots of fun,
making friends and settling in beautifully.

We are so excited for everything
this year will bring!

Painting and
being creative

Messy play
and exploration

Building
and creating

Playing, thinking
and problem solving

Exploring
our senses

Outdoor play
and fresh air

Learning
through play

Water play
and discovery

Making
friends...
having fun...
belonging
at
Little Bees

We can't wait for all the amazing
learning, laughter and memories we will make together!

Be Kind
Be Brave
Be You
